  - 14 oz denim - needle size 100/16
- \* Pins, Scissors, Marking Pen, etc.

- \* Thread for serger
- \* Rivets (by Prim) optional
- \* Sewing machine and serger

P.S. I will have ten pair of jeans available to try on. They will be Sandra Betzina's jean pattern (Vogue 7608) in ten sizes (A to J):

- waist 26 1/2 to 50 1/2
- hips 34 1/2 to 57

Ron will start this class by having 10 muslin jeans in Sandra Betzina's Vogue pattern (#7608) for us to fit in size A to J (waist 26 1/2" to 50 1/2" and hips 34 1/2" to 57"). Unfortunately this pattern is now "out of print", but you might be able to find it on-line or perhaps in your pattern stash.

If you like Sandra's pattern, make sure you pick it up and bring it to class, and we can do sizing from there. Also, if you're working with another pattern for jeans, besides Sandra's pattern, it is best that you show up with a muslin to get a head start on fitting.
