Supply List

Corded Bag or Bowl

Instructor: Heather Grover

Supply list for bag

- ❖ 2 .75 meters of fabric cut into 2.5" inch strips or 36 x 2.5" strips. Batik fabric work great because less fraying. Please have strips cut before class
- ❖ 125 ft of clothes line. Diameter size 3/16 " poly reinforced cotton line. It should be soft, flexible and white (not plastic coated) I find it at Rona or other hardware stores.
- ❖ matching cotton thread(s). Do not use white thread in bobbin. If using multiple colour strips may need more than 1 colour of thread.
- ❖ safety pin
- ❖ buttons for decoration on handles(students may wait till bag is finished before choosing embellishments)
- ❖ Extension table if you have one.
- ❖ sewing machine in good working order with all accessories
- ❖ Walking foot is very helpful otherwise appliqué or zigzag foot
- ❖ Rotary cutter, mat and ruler for cutting strips
- ❖ New 90/14 or 100/16 or micro-tech needle. A new needle will help prevent skipped stitches when sewing
- ❖ Extension cord

Supply list for bowls

- ❖ fabric glue stick
- ❖ fabric guide line- 2 meters for large basket or bowl with lid
 - -1.5 meters for medium bowl
 - .75 meters for flat plate
- Fabric is cut into 3/4" to 1 " strips so you can use lots of scrap pieces of batik fabric and it is not necessary for the strips to be 42"long. Batik fabric is recommended because there will be lots of fraying. Unlike the purse instructions you do not have to have all your fabric pre cut in strips but you should have some done so you can start right away in class. You do not have to have all your strips the same width which makes this a great scrap buster.
- ❖ masking tape
- ❖ matching thread
- ❖ extension table, sewing machine in good working order, extension cord, walking foot or zigzag foot
- ❖ New 90/14 or 100/16 needle some like to use denim needles. It is important that the needle be new.
