## Supply List

### Collage Quilts

#### **Instructor: Wendy Van der Walt**

**IMPORTANT NOTE:** I do not follow Laura Heine's method of construction for collage quilting. I found it very expensive, and needlessly labor intensive. It is not necessary to purchase all the goods listed on the backs of her patterns. Please read through this list carefully, and feel free to contact me with any questions!

- ❖ Pattern: Participants will need to select a Laura Heine or Fabriculous pattern they would like to do in advance.
  - ❖ Fabrics: Check the back of your pattern for Background Fabric requirements and purchase what you will need. Regarding the fabrics for the Collage work: My advice to participants who are raiding their stash to create a collage quilt is to bring about twice as much fabric as you think you will need! In previous workshops, a lot of fun and pleasure of the day comes from everyone finding just what they need on the other side of the room!
  - ❖ Heat and Bond Light: for most of these projects, 5 m will be more than enough. It sounds like a huge amount, but you will be surprised how much you go through!
  - ❖ Karen Kay Buckley's Perfect Scissors - Blue Handled, Medium Size. These will be the most helpful, and create the least hand fatigue when you start cutting out your stacks of collage bits.
  - ❖ Kitchen Parchment Paper - one 24" length cut off your roll - I will have a roll just in case
  - ❖ Sewing Machine
  - ❖ Neutral thread
  - ❖ Basic Sewing Notions
  - ❖ a Travel Iron and Board with extension cord will shorten your wait time
