## Supply List

### Uncomplicating Pieced Borders

**Instructor:** Bonny Voice

**Please bring to Class:**

Sewing machine in good working order, with manual

Machine needles for piecing

Pins

Rotary mat, cutter and rulers

Graph paper, pencil and eraser

Temporary fabric markers

Good quality piecing thread

Quilters tape measure

Optional: Any books you have on pieced border ideas

Optional: Fabric for design wall sheet and tape

Completed body of quilt, without borders. Make a 18" x 30" quilt body using 15- 6" blocks of your choice(6 1/2" with seam allowance). The layout will be 3 blocks by 5 blocks.

**Yardage for the borders**

If the body of your quilt is predominantly light valued then you'll want the border to have more medium/light value fabric in it and vice versa. Bring a minimum of .3m of each fabric you want in the borders and a minimum of 1m of the fabric(s) you'd like to see the most of in the border - so that you'll have enough fabric for binding. If your blocks are very scrappy, bring a good assortment of fabrics.

The amount of fabric you'll need is a bit of a guesstimate until you decide on the border design so err on the side of too much fabric. You can always add the excess to your stash.

Please bring any finished or unfinished quilts that you haven't added borders to yet and we can discuss border options.
