## Supply List

### Bias Cut Blouse/Jacket

**Instructor:** Jan Bones

**Kit Fee \$12:** for pattern

**Pre class preparation:** each student will please come to class with fabrics preshrunk and pressed . Yardage required for pattern

**Fabrics needed:**

Please bring one woven fabric for a test copy. This fabric may be any light weight woven fabric, recycle something woven if you like. For the final project, your fabric is to be woven in any fiber content you prefer. I would suggest cotton or cotton blends, cotton or rayon batiks, quilting cottons, light weight denim, stretch woven are also ok (these woven fabrics have +/-5% spandex in the mix). It is fun to bring some treasures from your stash so you will have a choice and if you have any questions, I will be happy to help. You will enjoy working on a fabric with some stability, so the slithery & elegant silks or polyesters will be great for **the next time** you make the pattern.

1.5m of 150 cm (60")

2.3m of 115cm (45")
