

# BREAK IT UP! – 9 ways to Quilt-as-You-Go

A technique class with Melissa Marginet

[www.melissamarginet.ca](http://www.melissamarginet.ca)

**Description:** Several quilt-as-you-go methods will be covered in this class. Students will make samples of different ways to attach pre-quilted sections or to attach unquilted sections to an already quilted one and continue quilting. We will also look at patterns brought in by class participants and discuss which method would be best suited to turn each pattern into quilt-as-you-go so you can feel confident making your quilt from beginning to end at home.

## Supply list:

Sewing machine in good working order along with thread, bobbins, etc.

¼" foot, zipper foot, walking foot (please check before class if you are able to change your needle position on your walking foot to get a ¼" seam. Make note of this setting.)

Cutting mat, ruler, rotary cutter. (12" ruler is large enough for the class)

Fine Sharpie marker

Class kit – see following page for creating your class kit. Please organize these supplies by number so they are ready to use in class.

You can turn any quilt pattern into a quilt as you go. I prefer to look at quilts that you are working on or have plans to make but feel are too big to quilt as one unit on your domestic sewing machine. Please email pictures of these quilts to me ahead of time. At the end of our day together we will look at them and discuss which method or methods would work for each of them.

Email pictures to [marginet@live.ca](mailto:marginet@live.ca). Please title the subject line **Break It Up! YYYY-MM-DD** using the date of the class you are enrolled in.

## PREPARING YOUR CLASS KIT

Prior to class, make a quilt sandwich by layering a fat quarter/batting/fat quarter. Use two different light-coloured fabrics. This will give you a quilt sandwich with a right and a wrong side and one that you can make notes on with a marker. Quilt as desired in a dense overall pattern leaving the last 2" unquilted. Cut the quilt sandwich as shown. The numbers coordinate with the samples we will be making in class. There is no #5 or #9.

In addition to the prepared quilt sandwiches, you will need the following for each sample. There is no #6 or #9.

<b>#1</b> One (1) 1.5" x 6" fabric strip	<b>#2</b> One (1) 1" x 6" fabric strip One (1) 1.75" x 6" fabric strip	<b>#8</b> <b>Fabric A</b> Two (2) 1" x 6" fabric strips Two (2) 1" x 7" fabric strips <b>Fabric B</b> Two (2) 3" x 6" fabric strips Two (2) 3 x 10" fabric strips <b>Fabric C</b> Two (2) 2" x 8" fabric strips Two (2) 2" x 10" fabric strips Two (2) 2.25 x 6" batting strips Two (2) 2.25" x 10" batting strips
