Beginner Bra Class

If you are into precision sewing and are looking for a bit of a challenge or desire to make a bra that is custom fitted to your body, then this is a class you will enjoy. You will be sewing a **basic full band bra**, (with or without underwires) and fine tuning the fit so that you end up with Beverly's own pattern for a perfect-fitting bra. Once you have a basic bra that fits, you can make a second bra using lace to really strengthen your bra-making skills. **A specialized class for those with intermediate sewing skills.**

- Rotary cutter and mat, weights optional (if you use rotary cutters)
