Supply List

Canada's Maples

Instructor: Bonny Voice

Quilting supplies:

- Machine in good working order with manual
- Free motion foot
- Basic quilting supplies
- Hand sewing needles
- Fabric scissors
- Piecing thread
- Thread to stitch edges of leaves and to quilt background. This is a good time to use novelty threads

Fabric:

- Decide on the 3 colourways you want to use for your leaves. For each colourway you need 10 or so strips varied from 3/4" wide to 1 1/4" wide (cut width) to total a sewn width of about 6". I like to keep most of my strip widths fairly narrow but with some variation. Have some value variation but not so much that any one strip visually jumps out too much
- For each of the 3 leaf colourways you need .2m of fabric to back your leaves. You can use one of the colours of the strips or another fabric that blends well
- .8m background fabric on to which the leaves will be sewn. If you use the same fabric for the backing you don't require any more yardage.
- .3 m for binding or facing.
- minimum 18" x 30" piece of batting.

Miscellaneous supplies:

- Temporary spray adhesive or quilt basting pins
- Package or .3 m light to medium weight wash away stabilizer
- Freezer paper

- Craft or beading or floral wire. Colour isn't important because it'll be hidden by your stitching
- I have patterns for maple leaves. If you want to use a different leaf bring the pattern with you and we'll scale it down to the required sizes

Homework:

Each student will please come to class with fabric preshrunk.
