Supply List

Collaged Jacket

Instructor: Bonny Voice

You will be combining/collaging fabric together to make your own one of a kind fabric. After your fabric is designed you'll make it into a pattern of your choice.

First - let's talk about the pattern:

If you have a pattern that you love and it fits then use it. If you're looking for a pattern here's a few that I've included that would work well. You want to choose a pattern that isn't too cut up because you want a reasonable area on which to collage.

Vogue: 8910, 9068, 8910(it's all cut on bias), 9133, 9039

Butterick: 6332, 6382, 5926, 6328

McCalls: 7288, 7481

Kwik Sew: 3796, 4087, 3531

Burda: 6569

Please fit your pattern before you come to class. Use an old sheet or muslin and make the shell up.

Second- let's talk about the fabric:

You'll want to use at least 3 to 5 fabrics in your collage. The fabric that you want to use the most becomes your main fabric and you'll need yardage requirement of the pattern. The rest of the fabrics are accents and you'll need about .4 to .7m of each. I would get more yardage if I'm using fewer fabrics and less yardage if I'm using more fabrics.

How do I choose my fabric? I usually use cotton fabrics but any fabric that can be washed can be used. Find a fabric you love and use that for your main fabric. Make your other choices around that fabric. Or- choose fabrics that are in a collection. Or- look at pictures, photos that you like and choose your colours and design from that. It's always better to have too many fabrics than not enough and they can always go into your stash.

How do I prepare my fabric? Your fabric does not need to be prewashed. If it's already washed that's ok.

What other fabrics do I need? You'll need a light interlining. I usually use an old sheet or lightweight muslin. You'll also need a back fabric that'll show on the inside of your jacket unless you are going to line your jacket separately. For the backing fabric and interlining you need whatever your pattern asks for in yardage to construct the jacket. If you decide to bind your jacket like a quilt then you'll need fabric to do so. If you're lining your jacket the yardage will be on the pattern.

Third- what else do I need?

- Sewing machine in good working order and manual. Free motion foot and open toe foot useful. If you don't want to do free motion quilting then you'll have to machine quilt with your regular foot or an open toe foot.
- Basic sewing supplies
- Sewing thread and threads to quilt your layers together. This is a good time to use your novelty threads
- Temporary spray adhesive or quilt basting pins
- .25m steam a seam 2
- Your pattern may require some light weight interfacing
- Freezer paper

Homework:

Each student will please come to class with fabric preshrunk.

- ✓ **Optional: your own chair and/or cushion to sit on, light**
- ✓ **Please put your name on all your supplies.**
- ✓ **If you do not have access to any listed supplies please phone or email your order to us ahead of time to ensure your supplies will be waiting for you when you arrive at the conference at our on-site store**
