## Supply List

### CUTTING & FUN ON THE ARTISTIC EDGE 15 DIGITAL CUTTER

**Instructor:** Liz Thompson

**Supplies Needed:**

- Laptop with Simple Cut software *correctly installed and updated to the latest version* (currently 7.1). This is VERY important as you will not be able to do this in class nor will you be able to fully benefit from the class if you do not have the latest version. Please do this *at least 3 weeks* before Conference in case you encounter installation or updating issues. You probably won't have any issues but if you do, *these will need to be fixed before Conference*. Software helpline Tel is 1-800-631-0183 Ext775. Leave a message and allow a week for a call back. Or talk to Wendy & Brenda who might be able to assist.
- Please bring an **external mouse** for your computer. The glide pad is much more difficult to use when working with embroidery software.
- Please also be sure to bring your **power pack** in case you need to recharge your computer.
- Artistic Edge 15 Digital cutter with **all cords and accessories that came with the cutter including blade holder and both cutting mats**.
- 1 can of fabric adhesive spray.
- 1 roll of green frog tape / painter's tape from the hardware store or a store like Canadian Tire.
- 1 bottle of Terial Magic spray. (not Best Press please as that won't work the same). Haus of Stitches sells this product.
- 1 old hand or kitchen tea towel no longer in use in your home (can be frayed & stained) – this is for the spraying & ironing of Terial Magic.
- 1 piece of quilting cotton fabric 15x15 inches – any colour.
- 1 piece of scrapbooking or other paper used for scrapbooking and card making purposes. 12x12 inch is fine, any colour. Available by the sheet at Scrapbooking/Craft stores.
- 1 piece of cardmaking cardstock, any colour. Available by the sheet or whole pad/bundle at Scrapbooking/craft stores or the \$ store.
- 1 piece of template plastic as we will cut a quilting stencil. Available at Haus of Stitches.
- 1 piece of self adhesive vinyl: is available in the Self Adhesive Starter kit from Haus of Stitches. May be available at craft stores. If you do not have this material, you will be able to observe.
- 1 piece of iron-on vinyl: is available in the heat Transfer Vinyl Starter kit from Haus of Stitches. Signage stores also sometimes sell this. If you do not have this material, you will be able to observe.

# Saskatchewan Stitches Conference

Proud Sponsors  
Haus of Stitches & JANOME

- If you have template material, backing board and transfer tape for making a project with crystals, please bring this. These may be purchased in the Crystal Starter Kit or as separate sheets - available from Haus of Stitches. If you do not have these items, you will be able to observe.
  - Bring the optional accessory pen holder and a pen which fits into this holder if you have purchased this. If not, bring the pen holder and pen which came with the cutter.
  - Bring at least 6 plastic page protectors in which to place your cut samples for later reference/storage.
  - We may not have the time or space to embroider the applique-in-the-hoop but we will save the applique design(s) for you to stitch out later at home. If you already have your Janome or Elna embroidery machine with you at Conference for other classes, you may bring it along. But it is not a requirement.
- ✓ **Optional: your own chair and/or cushion to sit on, light**
- ✓ **Please put your name on all your supplies.**
- ✓ **If you do not have access to any listed supplies please phone or email your order to us ahead of time to ensure your supplies will be waiting for you when you arrive at the conference at our on-site store**
