## Supply List

### Eco Printing on Silk Scarf

**Instructor:** Heather Grover

Eco Printing on Silk Scarf.

Eco printing is a contemporary printing method where plant materials are rolled and bundled in cloth. Heat is applied and pigments from plants are extracted and transferred to cloth.

We will be creating a unique silk scarf.

Supplies; \$20.00 kit fee includes silk scarf (which will be pre mordant) and mordant chemicals, copper pipe, leaves, pots, stove and disposable gloves. ( scarf is about 11" x 76")

Please bring to class

1. -String or white crochet cotton to the bundles up with. Part of the design on scarf will include string marks and may want fine lines or heavy lines.
2. Small bucket to soak scarf and leaves in.
3. Plastic to cover table and paper towel
4. While scarf is steaming I will show you hand stitches to add to finished project so bring some embroidery thread and a piece of cloth to practice on.
