Supply List

Geo Log Cabin

Instructor: Bonny Voice

Basic Supplies

- Sewing machine, in good working order, with manual
- Size 10 denim needles
- Machine piecing thread
- Basic sewing supplies
- Rotary cutter, rulers, cutting mat
- White freezer paper

Fabric Requirements

- 1.5 m of background fabric
- 6 - .2 m pieces of different fabrics for the geo logs. How do you make the 6 choices? The colour wheel will come in handy for making your choices **or** you may want to simply pick 6 colours that you like and want to work with. If you want to do what I did to make up the sample, I followed the colour wheel and used red, orange yellow, green, blue and purple for my 6 fabric choices.

Please note:

It is ok to use only 1 fabric for the background. However in the class sample I used several different fabrics for the background fabric. I kept the value of the background fabrics close. If you do decide to do this, then you will need several pieces of fabric that total up to 1.5 m yardage.

It is ok to use only 6 fabrics for the geo logs. However, in the class sample I used several fabrics within each of my 6 fabric choices to create value changes within the geo logs. If you do this, then you require small amounts of more fabrics within each of the 6 geo logs.

- ✓ **Optional: your own chair and/or cushion to sit on, light**
- ✓ **Please put your name on all your supplies.**
- ✓ **If you do not have access to any listed supplies please phone or email your order to us ahead of time to ensure your supplies will be waiting for you when you arrive at the conference at our on-site store**
