## Supply List

### Fast and Accurate Machine Piecing - Mary Ellen Hopkins Methods

**Instructor:** Dianne Jansson

**Supplies:**

3 ring binder

Paper and pencil

Colour pencils

glue stick

Sewing machine in good working order and regular sewing equipment

Rotary cutter, ruler and mat

extension cord

generous supply of smaller fabric pieces for samples

neutral thread

Optional - quarter square or half square rulers

**Fabric:**

4 quarter meters. Results will be best if there is a strong contrast in colour. One or two print designs will work, but the other choices should be tone on tone, or somewhat plainer. It is best not to choose 4 perfectly matching fabrics from one collection - not exciting enough. this is a small project approx. 20" square. If you would prefer a larger size bring more fabric.

Border & Binding - .75m most times it is best to complete the centre of the quilt top first and then choose borders.
