Supply List

RULER WORK 201

Instructor: Liz Thompson

Kit Fee \$5.00 - teacher will supply detailed notes

Supplies Needed:

- Sewing machine in **good** working order with all cords & + FREE MOTION foot. Please ensure that you have a foot that CAN be used with rulers – it has a thick lip which will run up against the rulers and not ride up & over the edge of the ruler. Haus of Stitches will advise you on the correct equipment for your machine. Janome & Elna have the parts which work. Please check with Haus of Stitches for other brands as you will *not* be able to do this class if you do not have the correct equipment.
 - Blue dot or Quilter's bobbin case for Janome & Elna machines is highly recommended.
 - Basic sewing kit with tape measure, scissors, etc.
 - Rulers or templates. Teacher will bring a selection of templates which may be borrowed during the class. Haus of Stitches has many different types for sale. Our suggestion is that you invest in at least 2 different shapes (scallop? Straight?) for this class. Or bring what you have already purchased. Rulers MUST be a minimum of ¼ - 3/8 inch thick. A 1/8 rotary cutting ruler will NOT work.
 - Quilt (top, batting and backing already sandwiched and ready to quilt. Please use glue basting or fusible batting as safety pins don't work for ruler quilting). Size is your choice but lap quilt or smaller would be a good choice. Queen or King is a bit ambitious for this class as you won't get it finished.
 - Selection of threads for the quilting – suggestion that you coordinate colours with your quilt top: polyester thread is preferred but 100% cotton will work too. Avoid fiddly threads like invisible and metallic.
 - Any ergonomic/comfort aids you may require like light, cushion; etc
- ✓ **Optional: your own chair and/or cushion to sit on, light**
