SUPPLIES

Even though a kit is provided you may bring some of your own embellishments to add to purse.

You will need a button about 1" to 2" in diameter. Look for something unique ,maybe hand carved or is just the perfect colour . I love dragonflies and add charms and buttons carved with this design as embellishment to my purse.

Do you have special beads waiting for the right project.

You will need about 1/2 a meter of cotton fabric for the lining inside the purse. I love to use batiks because the dyeing technique suits the artistry of the purse. HINT really dark linings make it hard to see things at the bottom of the purse.

An assortment of threads in the colour way of your choice.

Sewing machine, free motion foot, pins, seam ripper, cutting mat and rotary cutter. needle for hand stitching.
