## Supply List

### Class: Up Close and Personal

#### Instructor: Beverly Johnson

Is there a special bra style you would like to make but you haven't seen that class listed on the Stitches schedule? We know how that feels, so we have put together this class that is all about you, and what bra style you would like to make. Whether it is a cut-and-sew foam bra, a partial band bra, a longline, or a bra you've seen in ready to wear that you cannot figure out on your own, this class is tailor made for you. Beverly will take you step by step through the process of designing and the sequence of construction for that next designer bra! A class for those already sewing bras as it is not a beginner bra class but a chance to have advanced individual guidance.
