Supply List

Hunter Star

Instructor: Gail Heller

Tools supply List: available from Haus of Stitches

Petite Hunter Star Tool – Studio 180 Design – for 7 inch Hunter Star blocks (tool allows you to make 5", 6" 7" and 8" blocks.)

Hunter Star Hidden Treasures book = Studio 180 Design.

For The Class, you will either choose a layout from the book or use the book for inspiration to create your own unique layout.

Fabric: for lap sized Quilt

Most lap sized quilts will require one of the following options for the inner blocks.

- 8 light fat quarters and 8 dark fat quarters
- 8 light fat quarters and 2 meters single dark fabric
- 9 dark fat quarter and 2 meters single light fabric

NOTE: The layout you choose will determine how many different lights and darks you will need. Refer to your pattern and fabric recipe in the book for exact amounts. Some layouts will require an extra fat quarter of light or dark

2" finished inner border with no design variations - .5 meter

6" outer border and bias cut binding strips – 1.75 meter

Backing and batting

Basic Supplies:

Sewing machine in good working order

Fine piecing thread – Gail recommends Aurifil (available at Haus of Stitches)

Basic sewing supplies: pins, rotary cutter, cutting mat, scissors, long ruler

Notebook and pen/pencil

Pre-cutting Instructions:

Note: Your progress will be quicker if you do the pre-cutting, but it is not mandatory.

From Dark and Light Fabrics: instruction for cutting from fabric measuring 42 ½" wide.

Please note there are cutting diagrams in the Hunter Star Hidden Treasures book – pg.

12-13. Also note that there are some layouts that require slightly different numbers of light and dark pieces. Refer to your layout recipe before cutting

Lap Size Quilts for standard recipe:

Cut 4 strips 7" x width of fabric from dark and light fabrics. Cut into 7" x 7" squares; cut once diagonally to make 48 dark and 48 light half square triangles

Cut 8 strips 1 3/4" width of fabric from dark fabric and 8 strips 1 3/4" x width of fabric from light fabric. These strips are for the trapezoids.

DO NOT SUBCUT INTO TRAEZOIDS!!

I WILL DOMONSTRATE HOW TO DO THIS IN CLASS

Cut 8 strips 2 1/4" x width of fabric from dark fabric and 8 strips 2 1/4" x width of fabric from light fabric for diamond/star pints. We recommend using half length strips for easier handling: you may sub cut each strip to measure 2 1/4" x 21".

Please bring your lunch

Bring a Smile

I promise we will have a fun day!

If you require any supplies, please let us know by April 15, so we can send them out to you in good time.
