## Supply List

### Wonky Log Cabin

**Instructor: Bonny Voice**

### Sewing supplies

- Sewing machine in good working order, with manual, foot control, power cord and all accessories including 1/4" foot
- Basic sewing supplies
- Machine needles for piecing. I recommend size 10 denim needles
- Good quality thread for piecing
- Rotary cutter and cutting mat
- 12 1/2" or 15 1/2" square up ruler, 6" x 12" ruler and/or 6" x 24" ruler
- Machine quilting thread and needles if you think you might get that far in class

### Fabric Supplies

Choose character blocks for the centre of each bigger block. For example, I used African animals for the class sample. The finished blocks will be approximately 10" square so choose character blocks that are smaller than that. If you want to use large character blocks you can, but your finished blocks will be larger of course. The guideline for the number of character blocks required is that one character block is required to make

one 10" square. So if you want to make a:

- ❖ 30" x 40" baby quilt and then add a border, you require 12 character blocks
- ❖ 50" x 70" lap quilt or double quilt and then add a border, you require 35 character blocks
- ❖ 60" x 80" queen quilt and then add a border you require 48 character blocks

Sashing between the borders is optional. I used sashing for the class sample. I recommend 1/2" or 1" wide sashing. Have 1/2 m minimum for the baby quilt and 1 m minimum for the larger sizes.

To make the logs you'll want small amounts of lots of fabrics. Use a collection of light, mediums, darks. First of all, look in your scraps. Any width of strips will work. Bring lots of small pieces of fabrics and if you're purchasing fabric, I suggest fat quarters, or 1/4m to 1/3m cuts.

To make the filler blocks, bring at least three .2m cuts of lights and three .2m cuts of medium/darks.

The borders will be discussed in class. You can bring border fabric if you want or do some Haus of Stitches shopping between the 2 class days.

To make the filler blocks, bring at least three .2m cuts of lights and three .2m cuts of medium/darks.

Backing fabric and batting is optional as you might not get to that stage, but if you're a fast sewer bring it along.

If you have any questions feel free to contact me after Mar. 2nd.
