Supply List

Rust Sampler

Instructor: Heather Grover

Kit fee of \$15 will include rusted fabric and some embellishments of rusted objects.

Please bring to class;

Sewing machine, in good working order with accessories
walking foot,
thread to match your background fabric,
ruler, cutting mat rotary cutter(rust fabric can dull blades quickly- I save old blades to use when cutting rusted fabric, same goes for machine needles you will not want to use needle again after project is completed so don't use an expensive needle- a universal or denim needle is good)
Extension cord and/or power bar
pins
.7 meters of Batik fabric for background(I like a print that has some purple in it to complement the rust colour)
.4 meters of batting (I use polyester needle punched batting)
A piece of plastic screen about 28" x 22"
coloured beads in gold and purples(optional)
