

Preparation Prior to Class:

To stay organized, cut and paste/tape a swatch of each of your fabrics below to use in class.

Light Medium Dark Bkg (only 1)

Tumbling Blocks - TBS

Pyramids - PYR

Hexagons - HEX

If possible, cut and sew the following so that we can jump right in to 3-D at the class. FW means Full Width of fabric (~42") and 1/2 W means half width of fabric (~21").

Cut Strips

Cut the fabric as listed in the table. Cut all of these strips into 1/2W.

<i>L TBS</i>	<i>M TBS</i>	<i>D TBS</i>
(1) 2 3/4" x FW	(1) 2 1/4" x FW	(1) 2 1/4" x FW

Sew Strip-Sets

With 2 3/4" strips in the middle and 2 1/4" strips on both sides, sew the strip-sets as shown in Figure 1. Press in the direction of the arrows. The strip-sets should measure 6 1/4" across.

Optional if you would like to prepare more for class you can cut the following:

For Pyramids – PYR, cut the following strips.

- Figure 5. Cut
- L*_{PYR}: 2 strips, 2 3/8" x FW
- M*_{PYR}: 2 strips, 2 3/8" x FW
- D*_{PYR}: 1 strip, 3 3/4" x FW

For Hexagons - HEX, cut the following strips. (Yes, the first strips are cut from your TBS colors. This is for the tumbling block that is in each hexagon.)
